

THE HONDO ANVIL HERALD

HONDO, MEDINA COUNTY, TEXAS, SATURDAY, APRIL 11, 1925.

VOL. 39. No. 37

LOCAL AND PERSONAL.

August E. Weynand, the local Star and Durant dealer, informs us that a consignment of 100 solid car loads of the popular Star and Durant automobiles will leave the Lansing, Michigan, factory April 20th, consigned to Texas points. This is said to be the largest single shipment of automobiles ever made into Texas by any automobile company and shows the company's faith in the continued prosperity of the great Lone Star State. Mr. Weynand will distribute one of the cars from this Texas Prosperity Special train being sent to Texas by his firm.

County Superintendent W. N. Saathoff informs us that in an election held Saturday in Maverick School District to determine whether or not \$24,000.00 in building bonds should be issued the bonds carried by a vote of 49 for to only 3 against. There are 60 scholastics in the territory affected and it is planned to erect two commodious and modern school buildings, one at Cliff and the other at Medina Lake.

See the Chevrolet first before buying an automobile; three bearing starter, floating banjo rear axle, disc clutch—no jerk or grab—inclosed fly wheel. Every one a sport this year. C. R. GAINES & SON. 35-tf.

WHY THERE ARE MORE THAN A MILLION

Buick's

Superior Performance

Every day a Buick owner realizes more and more the greater safety of Buick mechanical 4-wheel brakes, the extra reserve of power in the Buick Valve-in-head engine, and the easier steering and parking that result from Buick's ball-bearing, worm and nut steering mechanism. More reasons why more than a million Buicks are in daily use today.

Misses Octavia Davis and Josephine Brucks came home from their school at Castroville Thursday to spend the Easter holidays with their parents.

Mr. and Mrs. J. E. Murphy have returned to their home at Douglas, Ariz., after spending several months here with their daughter, Mrs. Jack Fusselman.

Mr. McLellan, formerly County Demonstration Agent of Atascosa County but now traveling salesman for the Central Drug Store of Jourdanton, Texas, was in Hondo Tuesday on business and took time to drop in on us for a talk over old times when we used to meet in kindred lines of work—the advancement of agriculture—he as a County Agent for the A. & M. Extension Service, the writer as a Field Agent for the State Department of Agriculture. And while we are both separated from the official pay counter, both are still true to our old love of serving agriculture, the writer through publishing FARMING, his farm and live stock monthly, and Mr. McLellan through selling the Peerless Screw Worm Killer, a remedy that is helping the stock men to protect their live stock from one of the worst pests he has to contend with in this section. Mr. McLellan placed his remedy with several customers, including both of our local drug store, while here.

The Bill Hill Cubs of San Antonio met their first defeat when they went up against the Hondo Aztecs on the local diamond last Sunday. The Bill Hills took the morning game by the close score of 6 to 5. In the afternoon game the Aztecs came back strong and defeated the visitors by a score of 12 to 10, it taking ten innings to decide the contest.

Mrs. Harry Crouch and daughter, Miss Mary, accompanied Mrs. John Crouch to San Antonio Sunday, where she will visit another son for a few days before returning to her home at Shelbyville, Illinois.

August Brucks, one of the trustees of the Upper Quibi School, called at this office Tuesday and secured the Webster's New International Dictionary, won for his school by Miss Hulda Neumann, a Seventh Grade pupil of that school in FARMING'S agricultural composition contest with her essay on "Hay." This paper congratulates Miss Neumann on winning this valuable prize for her school and congratulates the school on having pupils ready and willing to try. We were disappointed in that there was not a more widespread interest in this contest among the schools, but trust that the prize will be none the less appreciated by the winner.

Dipping Inspector H. F. Wurzbach left on Sunday and just returned from an official trip to Live Oak County where he gave 1500 big steers the first official dipping and will give them the final dipping on the 17th inst., and on this day will be shipped to Kansas. Medina County, for the reason that we did the right thing, does not have to go to this trouble. While there he found that they have corn knee high, cotton all up and some chopping it, and fine grass is up at the points around Whitsett, Fant City, Three Rivers, Kitty West, Ike West and George-West, also around Pleasanton and Jourdanton. Campbellton crops are making good headways.

Its dry—dry—dry!
Doggone it, you can almost fry
As you sweat and gasp for air.
Have the clouds shaken us?
Has old Jupiter forsaken us?
I tell you folks,—t ain't fair.

II

You read in the papers
How the rain cuts up capers
In other parts of the land,
But all we see here
Is a sky that is clear
And a patter of dust and sand.

III

It clouds up in the morn,
From way early dawn,
And joy and hope reign supreme;
But as the day wears on
The clouds are suddenly gone
And it's dry—dry all over again!

IV

Oh, Lord, away up high,
Listen to our pleading cry,
And send rain to this town of ours
And when you drop the first drop
Please, Lord,—don't stop
For forty seven hours!

The election last Saturday trustees of the Hondo Independent School District, evoked but little interest, the voters evidently being satisfied with the manner the board has conducted the School. The vacancies on the board caused the expiration of the terms of W. H. Smith, J. W. Griffiths, O. Lacy and Felix Batot were filled the gentlemen being elected to succeed themselves with no opposition. The personnel remains the same last year, to wit: Dr. W. H. Smith, O. E. Lacy, J. W. Griffiths, Felix Batot, S. G. Carter, Roland Chancey and Will Muennink.

The census of the Hondo Independent School District discloses a total of 656 scholastics, 77 more than was enrolled last year. This was seem to indicate a considerable increase in the population of the district. As the figures of the census are not available we are not in position to state what per cent of increase is credited to the Caucasian, the Mexican or colored population of the district.

A refreshing shower of rain here Thursday afternoon, settling dust, cooling and cleansing the atmosphere and refreshing vegetation of all kinds. It was not sufficient, however, to be of lasting benefit the precipitation amounted to a .35 of an inch. The clouds broke too soon and a good rain is still thing of the future.

Base ball fans of Hondo will have an opportunity to enjoy themselves next Tuesday afternoon at 5 o'clock when the High School boys and Fire Laddies will cross bats in benefit game for the fire company. The proceeds of the game will be for the purchase of new fire hose equipment of the fire company.

EMPRESS Pencil No 434

You pay for both ends of the pencil you buy—that is why so much care has been taken to place an eraser on the end of the "Empress," that will erase easily, smoothly and cleanly. The rubber is soft and flexible; it will not harden or dry up; it will not roughen the writing surface; when used, it cleans the paper as it erases the mark.

This statement is true to the best of my knowledge and belief.

To the People of Medina County:—Speaking in behalf of the school boys and girls and teachers of Medina County I wish to express our appreciation to you for your cooperation and help in making the Meet a success. The people of all the county are responsible for making this meet a success. Again I wish to thank the good people of Hondo for opening their good homes and taking care of the delegates and visitors. There were more homes available than were used and to these who did not get any delegates I wish to thank you for the offer just the same. The people of Hondo gave proof to the world that they were liberal and knew how to treat visitors when in our town.

This last word to the rural schools. It is the desire of all that you take more interest in the events. This meet will be a greater success when the rural schools take more interest in it. I know that the larger schools have the advantage over the rural schools but we hope some time in the near future to have that matter remedied so that you will not have to compete with the larger schools.

Again I wish to thank the good people of Medina County for their good support and especially to the good women of Hondo, for their support during the meet we have just had.

P. P. BREWSTER,
Superintendent Hondo Schools.

DEEDS.

NOTICE, MEMBERS OF LADIES' "FORTY-TWO" CLUB.

There will be no meeting of the club until after the Easter holidays. The next meeting will take place on Thursday, April 16th, with Mrs. P. Jungman, Mrs. Frank Schweers and Mrs. Oscar Schuchle as hostesses.

Every community owes it to itself to be represented in its local press both for community advancement and for community protection. If the community has no paper of its very own, it should be represented in a news way in the paper that circulates in its community. A good community correspondent is a valuable asset to any neighborhood in keeping that community accurately represented in the local press. People have more pride in their neighborhood and take a greater interest in community activities when they know that they will be properly represented in the press. Yet few neighborhoods are well represented by local press correspondents. Those that are not, should hold mass meetings and arrange to secure proper newspaper representation for their communities. This paper will always be glad to co-operate in publishing the news of any neighborhood in its territory. The difficulty is in getting correspondents who are able and willing to supply the news. The communities not represented could well afford to see to that.

The best country newspaper is the paper that best satisfies the public desire for information as to what is going on in its territory. The best communities in city, town, or country are those that take the greatest pride in what is going on. The only available medium for showing pride in local affairs is the local newspaper. The place that fails to support the local press either in the matter of finances or news is a place that has no solidified local pride, a place that is indifferent as to how it appears to the rest of the world. Indifference as to what the public thinks of a place soon results in a general run-down appearance, just as personal indifference on the part of an individual as to his appearance results in slovenliness. The slovenly indifferent town, neighborhood, or individual soon comes to be shunned. Apply the test to your community and see if you are really showing the world that you are proud of it.—Dr. Will H. Mayes.

ST. PAUL'S LUTHERAN CHURCH.

The following list of services will be observed in St. Paul's Lutheran Church during the month of April:

April 12, Easter Sunday:
Sunday Services and Holy Communion in English language, 10:00 a. m.

Divine Services in English language, 7:30 p. m.

April 19, First Sunday after Easter.
Sunday School in St. Paul's as usual, 9:00.

Pastor preaches in Brackettville.

April 26th, Second Sunday after Easter:
Sunday School, 9:00 a. m.
German divine Services, 10:00 a. m.

English divine services, 7:30 a. m.

All members are kindly requested to preserve and remember the dates of the various services. Let us prepare our hearts for the manifold blessings that God offers us in his Holy Word, and especially let us prepare the inner man for a worthy celebration and reception of the Holy Sacrament. It is the Lord Himself who invites you to His bountiful table: "This do in remembrance of me."

Beginning with the month of April during the Spring and Summer seasons our Sunday School takes up at 9:00 o'clock a. m. and all morning services at 10:00 o'clock a. m.

DEVINE NEWSLETS.

From The Devine News.
FROM YANCEY.
Although Yancey High School failed to win the County meet close competition was given the other schools. Yancey showed up well in declamation, winning three first and one second. In track Class B, the Yancey boys completely humiliated Hondo, winning first in 100 yard dash, 220 yard dash, 1 mile run, half mile run, 440 yard dash, 220 yard low hurdles, one mile relay, discus throw, shot put, besides the many seconds and thirds. Practically all the track team will go to the District together with the declaimers.

BUILDING NEW BRIDGE.
A San Antonio concern is now busy erecting a new low water reinforced concrete bridge over the Francisco creek, near Shook school house, on the Hondo-Devine road. Timbers and iron from this bridge will be used on other work in the precinct. How would a one span steel work on Blackway slough, on the Yancey road? A low concrete would do better.

SHIPPING BROOMCORN.
W. G. Driscoll was loading a car of broomcorn, Monday for which he paid the farmers \$75 and \$80. He expects to load another car this week buying off grades as low as \$60. This is a great fall off from this time last year, when it was around \$150.00 and up. Only a small acreage will be planted this year near Devine we are told. Cotton prices are also on the move downward and one doesn't know what to expect. He is buying for the Round Rock Factory.

FROM BIRY.
The picture show here Wednesday night was well attended. Will be here again April 1st.

Mr. and Mrs. Ham Love spent last Wednesday in San Antonio.

Wm. Rackley and small children from Black Creek were here last Thursday afternoon.

Mr. and Mrs. Henson from Gonzales county were here one day last week.

Rudolph Posch and daughter, Mrs. Erickson, spent last Thursday in San Antonio.

Mr. Emil Biry and daughter, Miss Magdalene, and Mrs. Carl Posch and Miss Mary Posch visited in Devine last Wednesday.

Mr. and Mrs. Oscar Miller of Hondo were here one day the past week.

Messrs. Arthur Nixon and Amzie Godden spent last Thursday in San Antonio.

Mr. and Mrs. Alfred Biry spent last Tuesday in San Antonio.

Mr. Joe Wernette went over to Yancey one day the past week.

Mr. and Mrs. Walter Eichhorn visited Mrs. Curd at Sabinal last Sunday.

Mr. Ed Bader and children spent Saturday evening with his mother at Castroville.

Quite a number from here attended the Band Concert at Dunlay Saturday night.

Mr. and Mrs. Rudolph Posch and daughter, Marie, and Mrs. F. D. Erickson and little daughter attended the Band Concert at Dunlay. Mr. Posch is one of the players in the band.

Mrs. Pete Schmidt, Elmer Frazier and sister Julia and Ralph Bader attended church in D'Hanis one night last week.

Mr. and Mrs. Alfred Biry visited Mr. and Mrs. Bonnie Bomba near Moore last Sunday.

Messrs. Albert Geiger and Louis Riba went to Devine last Saturday on business.

Messrs. Jesse, William and Cecil Owens and sister, Miss Ara, and Mrs. Ham Love visited relatives in San Marcos the past week.

Mr. and Mrs. Ed Haby and babe of Dunlay visited here Sunday afternoon.

Mrs. F. J. Biry and children visited her parents in LaCoste Sunday.

Mr. and Mrs. Lee Wernette of Dunlay were the guests of his parents here Sunday afternoon.

John Biry and sisters, and Hy. Vonflie from Castroville were the guests of Jacob Biry one day the past week.

Mr. and Mrs. Albert Biry attended the county meet at Hondo.

Mr. and Mrs. Oak Williams of Devine accompanied by his mother and brother-in-law, visited Mr. and Mrs. Louis Biry Sunday evening.

Misses Julia Frazier and Ella Bader and Elmer Frazier and Ralph Bader were Hondo visitors Saturday afternoon.

Mr. and Mrs. A. O. Biediger and children spent Sunday in Castroville.

Mr. and Mrs. Emil Biry and daughters spent Sunday at Castroville.

Clarence Wernette and John Watson were Castroville visitors Sunday.

Clarence Wernette spent Monday in San Antonio.

Mrs. Eddie Morris and babe visited her parents in Hondo one day the past week.

The News nominates Yancey for the next county meet. The question of being able to entertain need not enter the contest. She has a better Auditorium, if possible, than Hondo and both Devine and Hondo should come and go between days. It is near D'Hanis, also and only a few schools that took part this year over in the LaCoste-Castroville section, would be put in the least. We believe to meet in different towns each year will stimulate more interest. Will Hondo second the nomination?

Mrs. J. O. Redus, Mrs. M. L. DuBose, Mrs. W. B. Hopson, Charles Sweet, Ezra Griffin and lady, the editor and some others of the citizenry, accompanied our teachers and children to Hondo, Friday and Saturday, for the meet. As a whole we were not as successful as usual in the meet; but we were real proud of some of our talent from Devine.

The LaCoste Ledger of last week hands out a couple of hot ones to the town killers: Here they are

TRADE AT HOME.

We believe that this is our town, our home, our HOME TOWN, and we believe in the Home Beautiful. Money kept circulating among home people will help build up the beauty and prosperity of this, our Home. Money that we send to other towns helps to beautify and enrich those other towns,—our money, that we have worked for, representing hours that we have toiled. Why should we spend our years toiling for distant peoples? Let us remember from this day on that money spent in distant cities is labor given to those cities—labor that goes to beautify and make more luxurious those other cities—labor that ought to have been spent beautifying our home town and neighborhoods instead. Why should we send prosperity away to distant cities where we will not be able to enjoy it, when that prosperity can just as well be spent in our home locality where it will come back to us to make ourselves and our children and friends repeatedly happy? Let us keep our prosperity for our own HOMES. THINK IT OVER, HELP BOOST YOUR OWN HOME.

A GOOD TEST.

"The kind of a booster we like," says a contemporary, "is the one who spends his money at home. Boosting by word of mouth is fine, and it helps but boosting business by trading at home is even better. Be selfish enough to spend your money where you will have a chance to get it back."

Be a loyal citizen to the interests of this vicinity. Deal with your friend and neighbor—it will be to the mutual advantage of both yourself and your community. This is your own and my town—let's boost for it."

There are a lot of folks who need to learn that money spent at home will enable the home-folks to spend more money with them, pay out more money to contented employees, contribute more money in the way of taxes to support the government, the schools, etc., go to the picture shows a little oftener, buy more pretty ribbons for the girls or maybe afford a new automobile once in a while, help in many ways to build up the community, and—but what's the use? The Ledger will soon find out that such preachments fall off the fellows that don't want to patronize it any way just like water from a duck's back. You'll have to wiggle along and do the best you can without 'em.

SIGNALS OF SERVICE

YOU'VE noticed the lines of telephone poles as you speeded by on trains or in automobiles. These communication lines which stretch along the roads, streets, and alleys are the outward signs of the little-seen service you so greatly depend upon to make your home and business what it is today.

Holes alone represent a big investment in your behalf. Placed end to end the holes dug for telephone poles would make a tube reaching to a distant planet.

Then there are the cross-arms, the wires, the insulators. Add to these visible signals of telephone service the expensive intricate plant equipment that is back of the receiver and the total investment reaches a big figure. Yet the cost to the average family for telephone service is insignificant compared with the value received and the investment involved.

CITATION BY PUBLICATION.

THE STATE OF TEXAS

To the Sheriff or any Constable of Medina County, Greeting: YOU ARE HEREBY COMMANDED that you summon, by making publication of this citation in some newspaper published in Medina County, Texas, for four successive weeks previous to the return day hereof, Concepcion Chavira de Trinidad, whose residence is unknown, to be and appear before the next regular term of the District Court of Medina County, Texas, to be holden at the Court House thereof, in the town of Hondo, on the 11th Monday after the first Monday in February, 1925, the same being the 20th day of April, 1925, then and there to answer a petition filed in said court on the 19th day of March, 1925, in a suit numbered on the docket of said Court No. 2059, wherein Jose Trinidad is plaintiff and Concepcion Chavira de Trinidad is defendant, said petition alleging that plaintiff is and has been continuously for more than one year next preceding the filing of this suit an actual bona fide inhabitant of the State of Texas, and has resided in Medina County for at least six months next preceding the filing of this suit; that on or about the 8th day of January, 1910, the plaintiff was lawfully married to defendant then a single woman by the name of Concepcion Chavira, in Medina County, Texas; that after said marriage the plaintiff and defendant continued to live together as husband and wife for one year when defendant deserted and abandoned plaintiff with the fixed intention of permanently abandoning him, and that she did then and there permanently abandon plaintiff, since which time they have never lived together as husband and wife. That during the time plaintiff and defendant lived together as aforesaid he was always kind and affectionate towards defendant and always provided well for her support and maintenance and that said desertion and abandonment was deliberate and was without justification or cause. That said marriage relations continue to exist. Whereof plaintiff prays the Court that defendant be cited to appear herein, and for judgment dissolving said marriage relations, and for such other relief, general or special that he may be entitled to.

HEREIN FAIL NOT, and have you before said Court on the said first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

WITNESS, Aug. Kempf, Clerk District Court, of Medina County, Texas.

Given under my hand and the seal of said Court, in the town of Hondo, in Medina County, Texas, this 19th day of March, 1925.

AUG. WEYNAND TALKS ABOUT THE STARS.

The most valuable characteristics of an automobile are those hidden from the human eye and that only time and use reveal; namely, operating economy and miles of transportation.

The average automobile buyer purchases what he sees and feels only—a handsome body, comfortable appointments, pleasing riding qualities.

These features sell an automobile—but low-operating costs and long life make the sale enduring.

The time arrives when the automobile owner, free from the engaging personality and subtle arguments of the salesman, regards his purchase only as a personal utility, wonders how many miles of transportation he has bought and what that transportation will cost.

The manufacturer who regards an automobile primarily as a transportation unit, and who in his product combines pleasing appearance and comfortable riding qualities with long life and low-operating costs offers the ultimate in automobile value.

Experiences of Star owners indicate that the handsome appearance and comfortable riding qualities of the Star car, though highly desirable, are overshadowed by performance records.

68 Star owners reported to the New York office that they drove a total of 2,930,116 miles, an average of 43,090 miles per owner, and that their cars still were giving good service.

The average low-priced automobile is driven about 7,000 miles a year. Then, measured in years of service, as fixed by the mileage of the average automobile owner, the miles covered by these 68 Star cars represent more than six years of ordinary use for each car.

Operating expenses, including gas, oil, tire and mechanical repairs and replacements, reported by 2,392 Star owners indicate that they spent an average of 2 1-10 cents a mile to drive their automobiles.

These features, says the local Star Dealer, Aug. E. Weynand, account for the growing popularity of Star cars among those discriminating buyers who look beyond mere appearance and riding qualities and whose measure of value is the yardstick of performance.

SCHOOL FACULTY NAMED.

At a meeting of School trustees of the Hondo Independent School District held Wednesday evening, the following faculty was named to conduct the school for the 1925-26 Scholastic year:

High School.

P. P. Brewster, Superintendent (previously elected.)

R. B. Johnson, Principal; Miss Lorene Bradshaw, English; Miss Bess Brucks, History; Miss Harrett Nellis, Spanish.

Grade School.

1st grade, Miss Lena Stone; 2nd grade, Miss Ruth Edwards; 3rd grade, Miss Willie D. Fly; 4th grade, Miss Fay Russell; 5th grade, Miss Dee Crow; 6th grade, Miss Gertrude Reily.

This is the same faculty that conducted the school the past year, the trustees being so well pleased with their work that they were all named for another year to their respective position.

The trustees have added another grade teacher—the seventh—to the faculty, but this position was not filled at the meeting Wednesday. This addition will give the Hondo Independent School District a faculty of twelve members.

QUIHI NOTES.

Next Sunday is Easter Sunday and appropriate services will be held in Bethlehem Lutheran Church of Quihi at 10:30 o'clock a. m., and in the New Fountain Lutheran Church at 2 o'clock p. m. In connection with the New Fountain service the Holy Communion will be celebrated. All are cordially welcome at both of these services.

For Sunday, April 19th, Rev. H. Krause of Maxwell is scheduled to be here to hold a regular visitation in both the Quihi and New Fountain Lutheran churches. He will preach on this occasion in both churches: at Quihi in English at 10:30 a. m., and at New Fountain in the German tongue at 2 p. m. All are invited to come to these services and hear this able man's sermons.

A very interesting meeting of the Bethlehem Lutheran Ladies' Aid society was held last Thursday. After transacting routine business and hearing a very interesting paper a splendid luncheon was served by Mesdames Herm. Gerdes, Otto Neumann and Alfred Boehle.

Last Sunday night Bethlehem Lutheran League rendered a splendid musical and literary program in the Lutheran Church. Fortunately the weather was warm and pleasant so that the many who were unable to find seats in the church and crowded at the open doors and windows could easily hear and thus also enjoy the well rendered numbers. The interesting and instructive readings and the splendid musical selections were greatly appreciated by the large audience and received many favorable comments.

The Quihi Luther League contemplates giving a lawn social with a fine program in the near future. A committee composed of Messrs. A. Grell, Frank Boehle and Misses Emma Nietenhoefer and Lisetta Boehle was appointed to make the necessary arrangements and extend an invitation to all.

For some time, necessary repairs have been going on at Bethlehem Lutheran Church. The church looks much better for the same. For some time fears were entertained by some that the foundation of the church was weakening and that in consequence of this the church building was unsafe. All these fears were unfounded and needless. The church vestry had the foundation and walls

thoroughly inspected by two expert engineers, namely by Messrs George Bradshaw of San Antonio and R. W. Speece of Hondo. These experts declared the building absolutely safe in every particular.

BOOKING SOME GOOD ONES.

A reference to the program at the Colonial for next week, printed elsewhere in this paper, will show that several treats await Hondo movie fans.

"Trail Dust" booked for next Monday night, is a big 101-Ranch feature play of Western romance and adventure. This play required 2000 people and horses to act it out before the camera, and comes to Hondo direct from the Oklahoma Ranch. Hondo will be the first point in Texas where it will be presented. The advance man is expected to arrive today and will have with him either the company's famous \$10,000.00 saddle or a real live Moose, the Colonial managers were not certain which.

Thursday and Friday a thrilling sea picture will be presented entitled Captain Blood, now having a record run in San Antonio.

WILL ROGERS

Another 'Bull' Durham advertisement by Will Rogers, Ziegfeld Follies and screen star, and leading American humorist. More coming. Watch for them.

EVERYWHERE you go every body is figuring out a Cross Word Puzzle. Nobody is working or even exercising. America will lose the next War but win the next Puzzle Contest. It's the greatest craze that hit this country since Prohibition. People say to me, "Why Will, you don't understand, it is an Education, it learns you more ways to say one word." If you know one way to say a word, what do you need to know any more for? Nobody is going to give you anything for nothing, I don't care how many ways you ask for it. Our nation has never been short on words. We might lack ideas sometime but never words. This puzzle has done one thing, it has learned us which is Horizontal and which is Vertical. But a Cross Word Puzzle is not new. Railroad Time Tables have been out for years. Smoke 'Bull' Durham while working one, that is, if you want to, if you don't, why smoke wherever you want to.

Will Rogers

P. S. I'm going to write some more pieces that will appear in this paper. Keep looking for them.

BRIDGE CLUB.

The bridge club spent a most delightful afternoon in the Louis Decker home when Misses Lurene and Clara Decker entertained on Saturday afternoon.

The guests found an atmosphere of April in the floral decorations and tally cards. After half a dozen games, Mrs. Charles Johnson and Miss Clara Decker entertained with musical numbers. Mrs. Johnson was presented with a beautiful vanity as holder of high score, and Mrs. Robt. Decker a box of Lilac powder as guest prize.

The hostesses, assisted by their mother and Mrs. Robert Decker served an ice and cake course carrying out an Easter motif. Blue ice-cream in the form of a huge Easter egg, a blue candy basket surmounted by a tiny Easter lily, and filled with candy Easter eggs made a charming plate. The members present were Mesdames Chas. Monkhouse, F. S. Cockrell, Lou E. Heath, Charles Johnson and Misses Willa Mae Gaines, Gertrude Reily, Bess Brucks and the hostesses. The guests were Mesdames John Becker of Beale, New Mexico, W. H. Smith, Herbert Decker, R. J. Noonan, Robert Decker, O. H. Miller, Earl Starnes and Miss Myra Bell of Sabinal.

The club will meet at the home of Miss Gertrude Reily on Tuesday, April 14th, at 4:00 p. m., with Miss Reily and Miss Willa Mae Gaines as hostesses.

ARNETT COMPANY STARTS DRILLING IN MEDINA COUNTY.

Arnett Oil Company is resuming work on the drilling of the No. 2 Nixon in Medina County, south and west of the Ina field, which the company a few weeks ago acquired from R. O. O'Brien. It is believed that the No. 2 well will be a better one than the No. 1. Since the cleaning out of the Smith & Donaldson well of the Ina Oil Company operators are expecting to see the field lay in toward the southwest.

The Nixon lease covers 540 acres and it is the plan to drill five wells on it at once as rapidly as they can be completed. If the No. 2 well holds up in production according to expectations it is the intention of the company to begin laying a pipe line at once to the railroad which will require about 11 miles of pipe line.

When we lose a family from our citizenship, the grocery store loses some patronage; likewise the dry goods store and the drug store. The school loses the per capita appropriation for their children, as well as the children themselves, and if the family is religious, the church of their faith loses whatever support they give to it. If they have a car, the garage and the filling station lose some business and the local paper sometimes loses a subscriber. We all feel it. On the other hand, when we gain a new family, we add to all these lines, and in the proportion to which we add to our citizenship do we grow and prosper. It takes folks to make towns, and it takes business and industrial enterprises to sustain the folks. "Nuff said," let's hold what we have, and go after more people and more enterprises.—Eagle Pass Daily Guide.

Stomach Distress?

Galveston, Texas—"One year ago I was suffering with indigestion. Everything I ate hurt me and I had almost constant headache. I tried several remedies which did me no good. Then I decided to try Dr. Pierce's medicines. I took the 'Golden Medical Discovery,' which was highly recommended for stomach trouble, and the 'Favorite Prescription,' a celebrated feminine tonic, and I improved right from the start, and by the time I had taken a few bottles I was well."—Mrs. Jas. WANT OUR ROAD TOPPED.

At a called meeting of the Directors of the Hondo Chamber of Commerce yesterday morning, to consider the matter of toppling the Highway, the following resolution was unanimously adopted and signed by all the members of the Board. The original copy was forwarded by Secretary Saathoff to the Highway Commission by way of petition to that body.

Resolutions passed by the Hondo Chamber of Commerce, April 9th, 1925.

WHEREAS, owing to the rapid development of Southwest Texas, and the universal use of the automobile the building of a system of permanent highways, and the maintenance thereof, has become a matter of public necessity, and that Medina County with a full realization of said fact made has expended a large sum of money in the construction of the Medina County link of State Highway No. 3, a Trunk Line of major importance.

WHEREAS, when the construction of said road was contemplated and the plans designed, the Federal, State and County Engineers in charge of said project, realized that the present heavy traffic over said route which is increasing daily, demand a hard surfaced pavement, and with that end in view planned and constructed a base of the highest type.

WHEREAS, said highway is now completed with the exception of surfacing same, and said road has been pronounced as one of the best gravel roads in Texas, but that owing to the daily increasing heavy traffic coupled with the dry weather, unless said road is topped without delay same will disintegrate and go into chug holes, to the great loss and inconvenience of the traveling public and trading centers.

WHEREAS, we firmly believe and know to be a fact that the durability and success of a hard surface greatly depends upon the foundation on which it is laid, and believing this to be true and at great additional expense, our people have provided a foundation of the highest quality.

WHEREAS, the people of this section of country firmly believe that there is nothing superior to cold rolled asphalt as a topping, provided that same is laid properly on a permanently constructed base, and that with the Uvalde Rock asphalt mines located in our adjoining county, that from the standpoint of quality, permanency and economy that said road should be topped with asphalt.

THEREFORE, be it resolved by the Chamber of Commerce of the City of Hondo, that it is the voice, opinion and desire, of the people of this entire section of country, that this great Trunk Highway No. 3 may be topped, without delay; that the great State of Texas, which has now assumed the control of our highways, may carry on to completion
